## READERS POLL GIVEAWAY

**480,000 Readers - December through January - Across Canada**

The most anticipated annual issue of Exclaim! is our December Holiday double-issue, in which we unveil the best of the year as voted by our national staff of writers and editors. It also features our Year-End Readers Poll and Giveaway, where Canada's music fans vote for their favourites from the year that was. As incentive, valuable prize packs are awarded to readers, providing a unique branding opportunity that receives exposure via Exclaim!
